To Debtor:

Shown above is a report of your creditors' names and addresses, and the amounts of their claims. The above figures do not reflect any payments and may not be the current balances. They are the ORIGINAL amounts shown on the proofs of claim filed by your creditors. This list is not an audit and does not include the Trustee's administrative charges, although it does include your attorney's fees, if any, paid through the plan.

Please check this report carefully. If you dispute any amounts claimed by your creditors you must contact your attorney. A copy of this report has been forwarded to your attorney.

Objections to claims in chapter 13 cases must be filed and served no later than 270 days from the petition date, unless good cause is shown. Local Bankruptcy Rule 3007-1(b). Objections to claims shall be filed and served at least 30 days preceding the date fixed for hearing. Local Bankruptcy Rule 9013-1(d)(2)(C). See also Federal Rule of Bankruptcy Procedure 3007.

The Trustee distributes funds pursuant to the plan. Therefore, disputed claims and untimely claims may receive disbursements until a written objection is filed. Whether a claim is filed timely or late, it is allowed unless a party in interest objects. 11 U.S.C. § 502(a); In re Smith, No. 09-43823, 2010 WL 5018379, at * 2 - 3 (Bankr. W.D. Wa. Dec. 3, 2010). In addition, in the absence of an objection, even an untimely proof of claim is entitled to payment through the plan in the same manner as other claims of its class. Smith, 2010 WL 5018379, at *3.

You must contact your attorney immediately if you have questions or concerns.

The claim numbers assigned by this office are not the official claim numbers. Please refer to the claim numbers displayed on CM/ECF when filing documents in this case and do not refer to the claim number displayed by this office.
